

September 2020

Support update Home-Start in Waverley.

The focus of Home-Start is to protect staff, volunteers and families in everything we do. As guidance changes and the pandemic develops, we have continued to offer support and comfort to many through remote, phone and socially distanced contact in outside environments.

As community services begin to open our Trustees have assessed the support that we offer and have extended this to include meeting indoors in public and community buildings such as cafés.

In addition to this there is a limited offer to provide support to some families in their homes. This support will be assessed on an individual basis as it will not be suitable for all.

With thanks to our many funders including National Lottery, Children in Need, CAF Bank, Home-Start UK, Community Foundation Surrey, Surrey County Council, Garfield Weston, Sobell Foundation, Bill Mears Foundation, Waitrose, Tesco, and many more.
